PETITION PURSUANT TO 37 CFR 1.137(a)

To the Assistant Commissioner of Patents

Sir:

In response to the Notice of Abandonment mailed 14 April 2003 in the above-identified patent application, Applicant respectfully petitions the Assistant Commissioner of Patents for withdrawal of the holding of abandonment. The Examiner stated that the Notice of Abandonment was based on failure to timely or properly reply to the Notice to File Missing Parts. Applicants respectfully suggest that the correspondence submitted by the Examiner on 19 March 2001 was a Notice to File Corrected Application Papers. Accordingly, the basis for the Examiner's action should have been an Abandonment for Failure to Reply Within Time Period under 37 CFR 1.135(a).

Applicants respectfully suggest that this delay was unavoidable because Applicants responded on 16 April 2001 within the two month time period set forth in the Notice to File Corrected Application Papers of 19 March 2001. Applicants timely response is evidenced by the Certificate of Mailing on the first page of the attached response.

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as First Class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231 on 5 June 2003

Respectfully submitted,
